Master Padmasambhava, embodiment of the Three Roots; Tangtong Gyalpo and others who were
prophesied by the dakinis;

CHHI MED RIG PA DZIN PAI TSOG NAM KYIY MI SHIG TSE YI NGÖ DRUB DENG DIR TZOL
and all the hosts of immortal vidyadharas – grant now the accomplishment of an indestructible life.

T'HUB TAN NYING PO NGA GYUR RING LUG KYI MIN DROL NAM KHA DZOD LA WANG

Mastering the inexhaustible sky-like treasure trove of ripening and liberating teachings of the early
translation school, the very heart of the Buddha's doctrine,

GE LEG TAN DROI PAD TSAL GYAY DZAD PAI CHHOG TRUL NYI MA ZHON NU ZHAB TAN

may this youthful sun – the supreme emanation who propagates virtue and excellence in the lotus garden of
the teachings and beings – have a long life.

CHHOG SUM GYAL WA GYA TSOI JIN LAB DANG DAM CHAN CHHÖ KYONG SRUNG MAI

ones, dharma protectors and guardians,

ZHAB PAD DOR JE CHHÖ SU RAB TAN CHING T'HRIN LAY GYA TSOI GÖ CHAN KHYAB

ensure that his lotus feet stand firmly in the vajra teachings and that the mantle of his ocean-like
enlightened activities spread far and wide.
